

Premium Turkish figs & apricots

Since 1915 · TARIŞ İncir Birliği cooperative

TARIŞ İncir Birliği is the fig cooperative of the TARIŞ family: 15 cooperatives and over 5,000 affiliated farmers around İzmir and Aydın. The integrated fig plant in Germencik (60,000 m²) processes up to 15,000 tonnes of dried figs per year.

Wholesale only: minimum one container or one truckload. Prices on request.

Quality & certification

- Integrated fig plant in Germencik — 60,000 m², capacity 15,000 t/year.
- Aflatoxin control under UV lamps after storage; complete sorting.
- Washing, resting, metal detection and vacuum fumigation before dispatch.
- Cold storage at 3–5 °C and 55–60% humidity to prevent quality loss.
- Certificates: ISO 9001, ISO 22000, Halal, Kosher, BRC and Ecocert (organic).
- R&D laboratory Aegean University (1985) — up to 70,000 analyses per year.
